

Les Paul Custom Moonless Night

Stagelight...meet starlight!

Inspired by a dark, starlit night -- this limited-edition Les Paul Custom features shimmering metallic sparkles throughout its pitch-black finish, as well as unique reverse multi-ply binding and a crystal headstock logo "dot" for added bling. While it is sure to light up under stage lights like a moonless, star-filled sky, it is sure also to provide all the sonic nuance and power that makes the Les Paul Custom model famous.
