

# Les Paul Standard Figured Top Tom Murphy Painted & Aged

*A Murphy Masterpiece*

For as long as Gibson Custom Shop has been making reproductions of vintage sunburst Les Paul Standard guitars, Tom Murphy has been perfecting the craft of capturing the magic and vibe of the originals. From his distinctive sunburst finishes to his elaborately detailed aging process, Tom considers his creations to be playable works of art, providing owners with the vintage experience without the six-figure price of an original. This limited run Murphy Painted & Aged Les Paul Standard captures Tom's vision of the perfect Les Paul Standard from start to finish. Each guitar features handpicked Murphy woods, a three-dimensional Murphy sunburst finish, extensive Murphy aging, and a special Murphy historic serial number sequence.
