

# ES-335 Satin

## Smooth Operator, Satin

The 2018 Gibson ES-335 Satin Limited Release is a guitar that has the look and build quality of our ES-335 Traditional, but provides players with the feel of our popular satin finishes. The Burstbuck 1 and Burstbucker 2 pickups are paired with a hand-wired MTC Control Assembly for optional capabilities, while the humbucker covers have been removed to expose the business of your tone. This guitar features classic Gibson quality materials like a quarter sawn mahogany neck with rosewood fingerboard, spruce bracing, maple centerblock, single ply cream binding, and a bone nut. The quality continues with reliable satin hardware like an ABR-1 bridge with titanium saddles, a die cast zinc stopbar, and Grover 102 Rotomatic tuners. Available in Walnut Satin finish, or Wine Red Satin finish.
